*High Flight*

*Oh! I have slipped the surly bonds of earth  
And danced the skies on laughter-silvered wings;  
Sunward I've climbed and joined the tumbling mirth  
of sun-split clouds - and done a hundred things  
You have not dreamed of - wheeled and soared and swung  
High in the sunlit silence. Hov'ring there,  
I've chased the shouting wind along, and flung  
My eager craft through footless halls of air.*

*Up, up the long, delirious, burning blue  
I've topped the wind-swept heights with easy grace  
Where never lark, or even eagle flew -  
And, while the silent lifting mind I've trod  
The high untrespassed sanctity of space,  
Put out my hand and touched the face of God.*
